

# California Society of Pediatric Dentistry Foundation Faculty Research Travel Award

## *Call for applications*

### **Introduction**

The California Society of Pediatric Dentistry Foundation (CSPDF) is interested in fostering research and increasing and enhancing the faculty development of pediatric dental educators. Toward that end, the CSPDF has established the Research Travel Awards, whereby top finalists receive up to \$500 to defray the travel expenses incurred when California full or part-time faculty members present their research at a relevant, recognized meeting venue, i.e. IADR, AADR, AAPD, CSPD annual sessions.

Applications can be requested from The Executive Director, Dr. Ray Stewart at the CSPD Foundation office by telephone at (831) 625-2773, FAX at (831) 624-2215, e-mail [drstewart@aol.com](mailto:drstewart@aol.com) or P.O. Box 221608, Carmel, California 93922.

### **Eligibility**

Applicants must be:

1. a member of CSPD and
2. currently doing research at one of the California dental schools or associated pediatric dental post-doctoral programs

### **Submission**

All application forms must be typed and can be submitted along with a copy of the abstract of the research presentation by electronic mail or by regular mail to the Executive Director. There is no submission deadline, however, applicants should expect a 4-6 week turn around time for a successful application to be approved and funded.

### **Criteria**

The following criteria will be used to judge the application:

1. The research project is applicable to pediatric dentistry and is well defined and its importance clear.
2. The abstract contains valid results and conclusions.
3. The research is being presented at a relevant and recognized meeting.

*CSPDF reserves the right to fund only those submissions deemed worthy of the award.*

*Please direct questions regarding the Travel Award to Dr. David Good:
